

Kwa'lilas Hotel

Banquets, Meetings & Catering

Port Hardy is located on the northern end of Vancouver Island, built along the shores of a natural deep water harbor. Hardy Bay overlooks the Queen Charlotte Straits and the mainland where the snow-capped peaks of the BC Coastal Mountain Range loom in breathtaking splendor. The community is bordered on the east by water and on the west by the foothills of the Vancouver Island Mountain Range.

The area is rich in beauty and natural resources and is the largest of communities in the Regional District of Mt. Waddington. The mountains, rivers, lakes, forests and the marine environment provide an ideal setting to live work or play. Port Hardy is accessible via major transportation networks of road, air and water, and serves as the gateway to the fast-growing Central Coast and Prince Rupert.

The Kwa'lilas Hotel is located in the traditional territories of the Kwakiutl people and is a demonstration of the commitment of the Gwa'sala-'Nakwaxda'xw Nations to share our history, culture and passion for our lands & waters in a meaningful and permanent way while showcasing and celebrating these in a beautiful, comfortable space that is representative of the community.

Join us to experience the Kwa'lilas Hotel hospitality.
